

Zehn College Programme

Direction before decisions.

A two-month career and online earning readiness programme for 2nd-year students, taught on your campus by Zehn instructors.

What students learn

8 Saturday sessions of 2 hours: an 80-minute lecture followed by a 40-minute Q&A

- WEEK 1** Tech careers in Pakistan: what CS, SE, and AI degrees involve, and where they lead
- WEEK 2** What programming is, with a live, hands-on first taste
- WEEK 3** How AI is changing work, and the opportunities it creates
- WEEK 4** Using AI tools to learn faster and work smarter
- WEEK 5** Online earning and remote work paths for every field, not just computer students
- WEEK 6** Starting online in 2026: what works now, and why old playbooks don't
- WEEK 7** Building an online profile and a first portfolio piece
- WEEK 8** Each student builds and presents a personal 90-day action plan

PROGRAMME FEE

Per student

One fee covers all 8 sessions, materials, and certificates. Shared in your college's proposal.

WHO IT'S FOR

2nd-year students

FSc, ICS, and FA, from every field

DURATION

2 months

Saturdays only, so regular classes and exam prep are not affected

BATCH SIZE

30 to 50 students

Larger colleges run multiple batches

What students leave with

Clear direction

An informed view of tech degrees and careers before choosing a university programme.

Real-world readiness

An honest picture of online earning in the AI era, with no hype and no income promises.

A 90-day plan

One skill, one platform, and first portfolio steps they can start right away.

Try Zehn free. One seminar, no commitment.

Free 60-minute seminar. "AI, Careers & Online Earning in 2026" for your students.

Taught on your campus by a Zehn instructor, at a time that suits you.

See the quality first, then get a proposal for your 2nd-year students.

Personal 90-day action plan for every student	✓
Zehn certificate of participation	✓
Promotional material to introduce the programme to students and parents	✓

Who does what

Zehn

Curriculum, instructors, Google Classroom setup, certificates, and promotional material.

College

Classroom access on Saturdays, student enrollment, on-campus promotion, and fee collection.

Terms

Agreement

Signed per batch, per campus.

Payment

50% before the first session, 50% after session 4.

Minimum billing

30 students per batch, even if fewer enroll. Batches above 50 students are split.

Enrollment records

Every enrolled student joins the programme's Google Classroom. This roster is the basis for billing and certificates.

Certificates

Awarded to students who attend at least 6 of the 8 sessions.

Scheduling

Sessions run on Saturdays by default, so regular classes are not affected. A weekday slot can be arranged if the college prefers. Timed to finish before board exam and entry test preparation.

Closures & cancellations

Sessions missed due to college closures or public holidays are rescheduled at no cost. Sessions cancelled by the college with less than 48 hours' notice count as delivered.

Instructors

If a Zehn instructor is unavailable, Zehn provides a replacement or reschedules the session.

Requirements

A classroom or hall with a projector and sound for the batch size.

Ownership & pricing

Materials remain Zehn property. Pricing is shared in your college's proposal and may be revised at most once per academic year, with 60 days' notice.
